Bakery Shop (to the tune of "Five Little Ducks")

Way up high in the bakery shop
 Four(then less) yummy challah with seeds on top
 Along came abba (then ema then Noah then you) with a dollar in his(her,your) hand
 Bought a _____challah and away he(he/she/you) ran
 Yum yum yum, yum yum yum, yum yum yum yum yum

That's How You Make Challah (to the tune of the Hokey Pokey)

You put warm water in , you sprinkle yeast in, you put some sugar in and you mix it all about. That's how you make challah for Shabbat, Shabbat shalom to you
 You put some eggs in, you put some oil in, you put some love in and you mix it all about
 That's...
 You put some flour in and more flour in and more flour in and you knead it 'til it's done, that's ...
 Then you roll it out and you braid it nice and you put it in the oven and smell the challah bake

Torah Summary Leah Boonin

The Torah has stories
 Important stories
 About our people, Am Yisroel
 The Torah has mitzvas
 Those are things that we ought to do
 Like v'ahavtah
 And you will love
 Vahavata lereacha k'mocha
 Be kind to other people like you want them to be kind to you
 Rabbi Hillel was challenged
 While standing on one foot
 To say what's in the Torah
 That seemed pretty hard
 He knew all of the stories
 He knew every mitzvah
 He balanced on one foot and said
 V'ahavtah....
 Your great ..grandparents loved Torah
 And now we do too
 As will someday our children
 V'ahavtah...

The World is a Circle Craig Taubman

The world is a circle, a never ending circle, A never
 ending circle going round and round. The sun goes up
 and the moon goes down, And the world goes around
 and around and round. I am a part of the circle, A part
 of the circle going round and round. I am a part of the
 circle, A part of the circle going round and round.
